INSPIRATIONS

Where can you apply Milovito glass mosaic?

In bathrooms, kitchens, toilets, floors, swimming pools and public projects.

Mosaic Art; Milovito small mosaic tiles of only 1 cm by 1 cm are ideal for portraits.

Mosaic art was already being made in Greek and Roman times. Many examples from that time show mosaics on the floor.

We make mosaic art for the wall or in a frame.

Everything is possible when it comes to glass mosaic.

TIMELESS LUXURY

Gold mosaic tiles are irresistible for a chic interior. In the world of interior design, there are few elements as iconic and enchanting as gold mosaic tiles.

These beautiful creations have the ability to transform any space into a timeless luxury space. The combination possibilities with colors and materials are endless, gold Mosaic tiles therefore effortlessly adapt to any style.

What makes gold mosaic tiles truly timeless? The material is durable and resistant, allowing them to retain their shine for years. They are also easy to clean and maintain, this making them perfect for any space. An eyecatcher in your interior/exterior whether you use them for a complete wall or as an accent in a mix.

Gold mosaic tiles exude luxury. Whether you have a classic interior or prefer a modern style. Each tile is handmade, making each tile unique and telling its own story. In addition to their aesthetic beauty, gold tiles also have a symbolic meaning. The use of gold as a material symbolizes wealth and prosperity.

Milovito selects the best quality gold. They only use 24 carat gold. Gold retains its shine and splendor. The 24 carat gold tiles are impervious to external influences. Each piece of 24 carat gold mosaic tiles is handcrafted exclusively for Milovito in Italy, resulting in unique pieces with different textures, looks and feels.

SPARKLES & GEMS

For those for whom glass mosaic is not shiny enough.
We can apply Swarovski crystals into the designs.
The crystals sparkle like little diamonds in the mosaic.

This also applies to gemstones such as Amethyst, Lapis Lazuli,
Abalone Quartz, Malachite, Labradorite, Tiger eye, Rose quartz stone, Jaspis.

DELIVERY TIMES

We apply delivery times of the glass mosaic tiles from 6, 12, 24 and 48 weeks. For glass mosaic artwork a minimum of 12 weeks and for swimming pools a minimum of 12 to 14 weeks. In charge of a surcharge, we can deliver faster in consultation.

INSTALLATION & SERVICES

Milovito glass mosaic is processed very differently than normal tiles. Installing mosaic tiles is a job for specialists. We are experts and will respond from our experience.

We have the skill,, experience and patience to battle with 2,000 to 9,000 mosaic tiles per m2. There is a big difference in placing mosaic tiles. Tiles are rigid. We provide the service to make your dream mosaic beautiful and create that intense experience.
